

The **Pediatric** Associates

Ear Piercing with PEDIATRICS

Pediatric Associates is happy to announce that we are now offering safe, professional ear piercing. Your infant, child or teen can be in the comfort of their Medical Home, by trusted staff and in a clean environment with the best hypoallergenic earrings on the market. Let us be your child's first place for ear piercing!

We use Blomdahl Medical Ear Piercing that has Medical Plastic posts or Medical Grade Titanium posts, which promote easy care/healing and no allergic reactions.

\$100.00 PACKAGE

This includes your first set of earrings and piercing, post-piercing care and a free follow up.

THIS IS NOT COVERED BY HEALTH INSURANCE
